

Dear Valued Guest,

Hello and thank you for making a reservation to dine with us at Gibbet Hill! We are excited to be able to welcome guests to our property and to offer the same high level of hospitality, service and quality you have come to expect from us. We have designed indoor and outdoor dining models and implemented procedures and policies to keep everyone safe and healthy. As such, things look a little different at Gibbet Hill right now and we want to fill you in on what to expect during your visit with us.

CHECKING IN –When you arrive for your reservation, please check in at the host station located at the front of the building, under the overhang. If we are not quite ready for your seating, feel free to wander around our property and we will text you when your table is ready.

SEATINGS: Tables are limited and we want to see as many of you as possible. Upon arrival, the host will let you know the time of the next seating at your table (1½-2 hours depending on party size). This will allow you to plan your stay with us accordingly.

MENUS – While one time use, paper menus are available upon request, we encourage you to view our [menu](#) on your smartphone or tablet.

DINING – To encourage social distancing, we have implemented a new service model where your server will be available to you, but not at your table as frequently as they were before. In an effort to limit server visits to the table, we encourage you to place your entire order at one time (though we understand you don't always know if there will be room for dessert!).

Though the outdoor dining area is tented, you will want to dress accordingly for the weather.

MASKS –Guests are required to wear a mask while on our property, although you may remove it while seated at your table. Masks are required to be worn by our staff at all times.

CLEANING/DISINFECTING – We are cleaning and disinfecting all high touch surfaces frequently and on a regular schedule. We have allowed adequate time between reservations to clean and disinfect tables and chairs prior to the next guest's seating.

Thank you so much for choosing to dine with us! We are honored you trust us in this new era of dining and are proud to be able to serve you. Please do not hesitate to reach out with any questions, concerns or just to say hello. We look forward to seeing you soon.
