

Dear Valued Guest,

Hello and thank you for making a reservation to dine with us at Gibbet Hill! We have designed indoor and outdoor dining models and implemented procedures and policies to keep everyone safe and healthy during this unprecedented time. Below is a brief rundown of what is a little different these days.

- **TIMING** – Seatings are limited to 90 minutes per the Governor’s direction. Our servers will assist in timing your visit so you don’t feel rushed.
- **MENUS** – While one time use, paper menus are available upon request, we encourage you to view our menu on your smartphone or tablet.
- **MASKS** – Guests are required to wear masks when they are not eating and drinking. This also means wearing the mask when you get up from your table for any reason. Our staff is required to wear masks at all times.
- **CLEANING/DISINFECTING** – We are cleaning and disinfecting all high touch surfaces frequently and on a regular schedule. We have allowed adequate time between reservations to clean and disinfect tables and chairs prior to the next guest’s seating.
- **TRAFFIC FLOW** – You will see arrows on the floor of our restaurant indicating one-way traffic directions. Please be cognizant of the arrows and follow the flow!

Thank you so much for choosing to dine with us! We are honored you trust us in this new era of dining and are proud to be able to serve you. Please do not hesitate to reach out with any questions, concerns or just to say hello. We look forward to seeing you soon.
